Support for Cambridge IGCSE™ Japanese 0716

Supporting you every step of the way

We provide a wide range of support so that you can give your learners the best possible preparation for Cambridge qualifications. Here is a list of the teaching and learning support available for Cambridge IGCSE Japanese 0716.

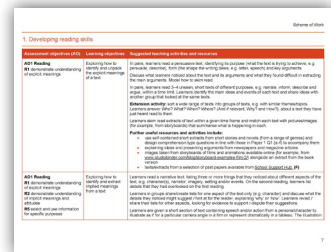

Our support material is available online through the School Support Hub at: www.cambridgeinternational.org/support

Syllabus and assessment materials

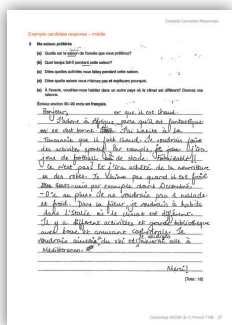

The syllabus is well designed, interesting to teach, accessible to learners and has been developed for first teaching in 2025. It explains what your learners need to know, how they will be assessed, and the relationship between assessment objectives and the examination papers.

Specimen papers and mark schemes will help you familiarise yourself and your learners with exam requirements and how to answer questions that meet the assessment objectives.

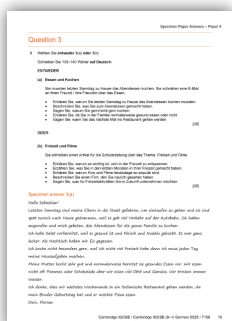

Scheme of Work

This medium term teaching plan provides ideas about how to construct and deliver Cambridge IGCSE Japanese 0716. The syllabus has been broken down into teaching units with suggested teaching activities and learning resources to use in the classroom. This document is a guide offering advice, tips and ideas to provide you with a basis to plan your lessons.

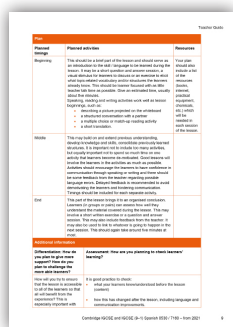

Example Candidate Responses (ECR)

ECR booklets provide illustrative examples of candidate work at different levels of performance. Each answer is annotated with examiner comments on the awarded mark and any mistakes the candidate has made. The examiner explains how the candidate could have improved their answer, and lists common mistakes made in this question across all candidates who sat the exam. Booklets will be available in 2028 after the first live examination series.

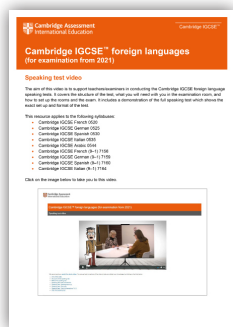

Specimen Paper Answers

These booklets exemplify high-standard examination responses for the new Cambridge IGCSE Japanese 0716 syllabus and assessment structure. Use this resource to develop your learners' understanding of what is required to gain marks based on answers written in the style of a Cambridge IGCSE candidate.

Learner Guide

Learners can use this guide to develop an understanding of the course and how it will be assessed, helping to increase their confidence. The guide describes each exam paper and includes useful advice to help your learners understand what to expect in the Cambridge exams. There is some suggested help with revision and study skills.

Speaking test video

This is a step-by-step video to help teachers/examiners carry out speaking tests. It covers the structure of the test, what you will need with you in the exam, and how to set it up.

Administration of the listening test

The aim of this video is to give you guidance for: the administration of a Cambridge listening examination; checking the equipment and audio material; conducting the listening examination; what to do in an emergency; and making access arrangements.

Speaking activities

Valuable support for teachers planning for and delivering speaking practice in the Cambridge IGCSE classroom.

Listening skills

A resource to prepare teachers and learners for the listening components of Cambridge IGCSE exams. Listening skills includes tips, teaching activities, teaching tools and a lesson plan.

Writing skills text types

Writing skills text types has been developed to support your teaching of writing skills, including teaching learners how to create and compose a variety of text types, such as letters, articles, blogs or speeches.

Lesson plans

A lesson plan for each of the four skills: listening, speaking, reading and writing are provided. These include learning objectives, detailed and engaging learning activities, instructions and timings.
