
Worksheet 7: Issues and debates in context

Write a short description linking the following issues and debates to the context of one of the twelve core studies. The first one has been partially completed for you:

- 1 The application of psychology to everyday life

	Core Study	Context
Links to:	Pozzulo et al. (line ups)	<i>Findings suggest social demands should be minimised to avoid influencing child witnesses. This finding could be applied to improve...</i>

- 2 Individual and situational explanations

	Core Study	Context
Links to:	Milgram (obedience)	

- 3 Nature versus nurture

	Core Study	Context
Links to:	Hassett et al. (monkey toy preferences)
