Topic 8

Climate change

1 Individual talk: Talk for 1–2 minutes about your favourite types of weather.

2 Conversation: Discuss with the examiner:

- Do you think the weather around the world has changed in recent years? Why do you think this?
- How much are you and your friends interested in the issues of climate change? Why?
- How far do you agree with the following opinions? You can discuss one or both opinions.

Only governments and global organisations can change what is happening to the climate.

Everyone has a personal responsibility to help to reduce climate change. Small individual changes to people's lifestyles (such as recycling) can make a difference.

You are also encouraged to raise any **related** ideas of your own.
