Topic 13

The importance of water

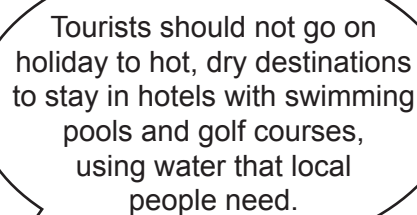

1 Individual talk: Talk for 1–2 minutes about the different ways people use water in their daily lives.

2 Conversation: Discuss with the examiner:

- Do you enjoy swimming or any other water sports? Why or why not?
- In what ways can having too much, or too little, water cause problems for people?
- How far do you agree with the following opinions? You can discuss one or both opinions.

Water is essential for life, so restaurants, shops and cafés should not make their customers pay for bottled water.

Tourists should not go on holiday to hot, dry destinations to stay in hotels with swimming pools and golf courses, using water that local people need.

You are also encouraged to raise any **related** ideas of your own.
