## Topic 15

### Time travel

- 1 **Individual talk:** Talk for 1–2 minutes about what you think life on our planet will be like hundreds of years in the future.
- 2 **Conversation:** Discuss with the examiner:
  - If you could travel back in time, what point in history would you travel back to, and why?
  - Are young people interested in history, or are they only concerned with what is happening now? Why?
  - How far do you agree with the following opinions? You can discuss one or both opinions.

If people could travel in time, they could correct all the mistakes that humans have made and make this world a better place.

Time travel would be fun, as long as you could always return to the present time afterwards.

You are also encouraged to raise any **related** ideas of your own.
