## Topic 1

### Where food comes from

- 1 **Individual talk:** Talk for 1–2 minutes about the different types of food people eat and where that food comes from.
- 2 **Conversation:** Discuss with the examiner:
  - Do you and your family grow the fruits and vegetables you eat? Why or why not?
  - Do you think it is important for people to know where food comes from and how it is produced? Why or why not?
  - How far do you agree with the following opinions? You can discuss one or both opinions.

It's terrible how much food people waste when some people do not have enough to eat.

Buying food that has been transported long distances around the world only harms the planet.

You are also encouraged to raise any **related** ideas of your own.
